SKILLS AND VOLUNTEERING ASPIRATIONS

Launceston and North East Railway requires volunteers to run the railway and achieve future goals. Skills and knowledge can be gained and friendships made while you are helping to keep our railway heritage alive.

We want to ensure your volunteering experience with our organisation is a satisfying and rewarding experience. Our project managers will be in contact with you as the different areas require assistance.

Present Volunteer roles include track work, vegetation management and railway repairs involving sleeper replacement, culvert and drainage maintenance.

Other roles will include railbug construction, driving of railbugs, Boston trolley, activities relative to the rail bug operations, and locomotive restoration. This will involve training and safety management.

Normal occupation :

Qualifications (first aid, truck licence, etc etc)

Railway Experience (including tourist railways)
