## SKILLS AND VOLUNTEERING ASPIRATIONS

The Launceston & North East Railway requires volunteers to run the railway and achieve our future goals. Skills and knowledge can be gained and friendships can be made. At the same time you will be helping to keep our railway heritage alive.

We want to ensure that your volunteering experience with our organisation is a satisfying and rewarding experience. Our project managers will be in contact with you as the different areas require assistance.

Volunteer roles at present include – Track work – vegetation maintenance and railway repairs involving sleeper replacement, culvert and drainage repairs.

Other roles will include – rail bug construction, driving of rail bugs, Boston trolley and rail motor. This will involve training and safety management.
